Clearly the issue of Air Quality has been a problem for decades and has impacted negatively to surrounding community of Zambela.					
Comments (Use a separate sheet if you wish to)					
Over a decade now, we have seen the decrease in chemical emissions in Zambela. Our view is that air quality offset implementation plan is a positive & a good step in a right direction & we would like to see real commitment in air quality offset implementation plan.

REGISTRATION AS AN INTERESTED AND AFFECTED PARTY (I&AP) (please mark applicable box with X)

Please formally register me as an interested and affected party (I&AP) so that I may receive further information and notifications during the Environmental Authorisation process				YES	NO
I would like my notifications by:					
E-mail: ✓	Letter:	Fax/tel:	SMS:	✓	
I would like to receive documents for comment as follows:					
Email:	Paper copies: X	CD:			
In terms of GNR 543 (EIA regulations) I disclose below any direct business, financial, personal or other interest that I may have in the approval or refusal of the application:					
This was not well advertised to local community as they say.					
Comments (Use a separate sheet if you wish to)					
I am not Happy with the Air pollution we want Clean Environment, And we want Sasol to help the Zamdela youth to go to School Educate them about environmental issues not putting up Cylinders. No to offsetting!
