Amendment Project – DHSWS File No 27/2/2/B741/9/9**

We, the undersigned, Lion's Head Platinum (Pty) Ltd, hereby confirm that we are currently leasing Portion 1 and Portion 2 of the Farm Mareesburg 8 JT from Samancor Chrome (Samancor). This is a long-term notarial lease agreement which has been registered against the Title Deed of the Properties. The purpose of this letter is to formally provide consent to Anglo American Platinum (AAP) and/or Rustenburg Platinum Mines' (RPM) Der Brochen operation to apply for a Water Use Licence. This Water Use Licence is in support of the proposed infrastructure i.e the Dense Medium Separation Stockpile and associated water management infrastructure which AAP would like to construct on portion 1 (Ptn 1) of the Farm Mareesburg 8 JT which falls within our lease area. We have been informed that the property owner, Samancor, has already provided their written consent to the Water Use Licence and that same is filed with yourselves.

This consent is subject to the following terms and conditions:

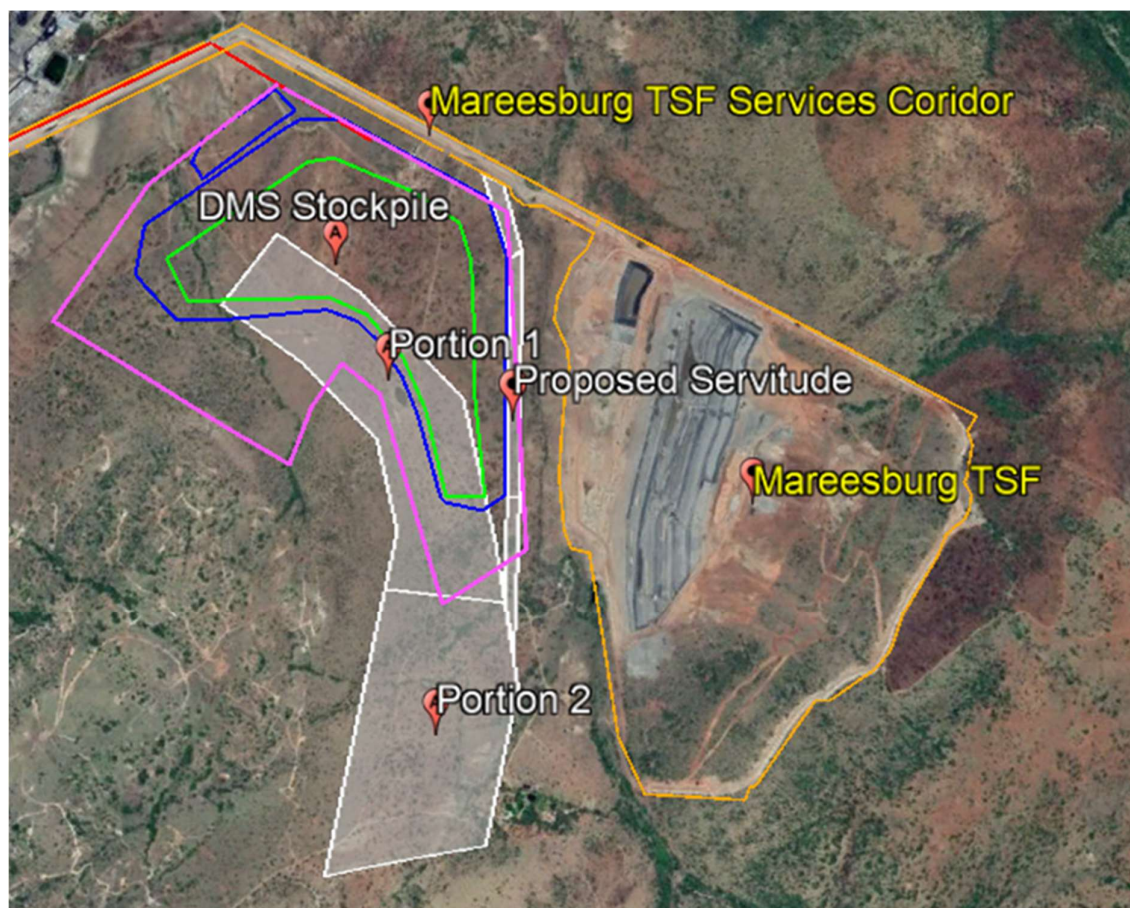

- Lion's Head Platinum (Pty) Ltd will cancel their lease agreement with Samancor over Portion 1 of Mareesburg 8 JT.
- Lion's Head Platinum (Pty) Ltd be granted a servitude connecting the current Mareesburg Tailings Storage Facility Services Corridor with Portion 2 (Ptn 2) of Mareesburg 8JT as per the attached diagram;
- Once Lion's Head access road over Portion 1 of Mareesburg 8 JT becomes obstructed due to the construction of the Dense Medium Separation Stockpile, AAP will provide a similar access road as to what Lions Head currently have over portion 1 of Mareesburg, in the vicinity of the servitude area; and

- AAP give consent to Lion's Head Platinum (Pty) Ltd to use a portion of the AAP Mareesburg Tailings Storage Facility services corridor service road.
