Dear Ms Porter,

We have identified the farm Hekpoort JQ504 Portion 180 as an affected farm portion. The deed information that we retrieved provided us with landowner details for Mr Allen Bruce Phillip (allen.phillips@gmail.com). All correspondence since the initiation of the proposed project has been sent to Mr Phillips via email and post – please see the attached. We will update our register with your information for this property.

We acknowledge receipt of your letter received 12 May 2015. All your comments and concerns will be addressed and incorporated into Final Basic Assessment Report (FBAR). This report will be made available for public comment over a 21 day period. Should you have further comments during this period your comments should be sent directly to the Department of Environmental Affairs (contact information will be provided on the announcement of the FBAR).

Kind Regards,

Good day

The above refers.

The matter only came to my attention a few days ago during a discussion with my neighbor and I herewith enclose my registration as an interested and affected party.

I note that various email addresses have been published and I would appreciate further direction in this regard.

Yours sincerely

Ilze Porter
