In terms of GNR 543 (EIA regulations) I disclose below any direct business, financial, personal or other interest that I may have in the approval or refusal of the application: waste management on the Road to zero waste. Separation at Source.					
Comments (Use a separate sheet if you wish to) We are currently working Hand in Hand with our Municipality in terms of waste management. We are currently working with household and industrial -> and we are practicing a Separation at Source. And the other thing that makes me wonder-
