Dear Sir/Madam

Notification of Decision

Application for the postponement of compliance timeframes in terms of Regulation 11 of Section 21 of the National Environmental Management: Air Quality Act - Minimum Emission Standards for National Petroleum Refiners of South Africa (Pty) Ltd in Sasolburg

We would like to thank all Interested and Affected Parties (I&APs) who participated in the postponement application process for National Petroleum Refiners of South Africa (Pty) Ltd. (Natref) operating in Sasolburg.

The National Air Quality Officer (NAQO) granted the postponement in concurrence with the local licensing authority (Fezile Dabi District Municipality). The NAQO required the variation of Natref's Atmospheric Emissions Licence (AEL) to aligned with the postponement decision. Following the variation application to the local licensing authority, the AEL was varied and issued to Natref.

A copy of the aforementioned postponement decision is available on SRK's website at <https://docs.srk.co.za/en/za-natref-2019-mes-postponement-applications>. Electronic copies this notification and the postponement decision are also available on request from the SRK Public Participation Office, the contact details of which appear below. Should you wish to access a copy of the varied AEL under which Natref now operates, please contact SRK at the contact details below.

Should you have any queries related to this notification, please contact Philippa Burmeister or Romi Bellusci at SRK, Tel: +27(0)31 279 1200/ +27(0)83 651 3462, Fax: +27(0)31 279 1204, e-mail: pburmeister@srk.co.za / rbellusci@srk.co.za.
