

7 April 2015

Dear Sir / Madam

Notification of Varied Atmospheric Emission License

We would like to inform all stakeholders who participated in the process in respect of Natref's postponement applications, that Natref's atmospheric emission license ("AEL") has recently been varied to reflect the postponement decisions where extended compliance time frames were granted by the National Air Quality Officer.

This serves as a formal written notification, as required by conditions of the AEL, to all registered interested and affected parties, of Natref's receipt of this varied AEL.

Varied Atmospheric Licenses issued by the licensing authorities

Natref's operation is conducted in accordance with an AEL that was initially issued by the local licensing authority in March 2014. The postponement decisions referred to above, required the AEL to be amended, varied and for additions to be included by the local licensing authority as necessary, to reflect the postponement decisions therein for them to have force and effect.

The Fezile Dabi District Municipality amended and issued Natref's AEL on 30 March 2015.

Availability of Decisions

The decision in relation to the above-mentioned postponement applications is available on the SRK website: <http://www.srk.co.za/en/za-natref-postponement>. In addition, the AEL will be made available on request from Natref. Contact Carl Scholtz, Head of Safety, Health and Environment at Natref, on Tel: +27(0)16 940 2596, Email: carl.scholtz@natref.com.

Appeal of the AEL

You are hereby further informed of relevant considerations for purposes of lodging appeals.

In terms of condition 10.2 of the AEL, there was an appeal procedure provided for in Chapter 7 of GN No R543 of 18 June 2010. According to condition 10.3 of the AEL, appeals against the decisions contained in the AEL must be lodged in writing to the Director: Environmental Health and Emergency Services, Fezile Dabi District Municipality, PO Box 10, Sasolburg, 1949, Tel No:016 970 8600, Fax No:016 973 1582.
